

the at a glance series :: family pride—who we are, what we do

Family Pride is the national non-profit organization committed to securing family equality in our lifetime. Our work consists of strategically linked initiatives—broad in scope, but simple in vision—love, justice, family, equality. We make change. We share information. We build community. We are visible.

vision ::

> Love. Justice. Family. Equality.

All **loving** families should be recognized, respected, protected and celebrated.

We believe in the freedom to define our own families in a **just** society.

We envision a country that celebrates a diversity of **family** constellations—that respects and commends individuals for stepping up, supporting one another and creating families.

This movement is not about gay or straight, it's about **equality** for all loving families.

mission ::

> Family Pride is absolutely committed to achieving family equality in our lifetime!

Family Pride works to **make change, share information** and **build community**.

Family Pride is standing strong to defeat anti-family legislation and promote pro-family legislation.

We recognize that laws that hurt LGBTQ-headed families also hurt many others—single parents, blended families, and families of color. Consequently, Family Pride fights for family equality for *all loving families*.

“WE ARE DETERMINED TO MAKE A BETTER WORLD FOR OUR CHILDREN—WITH THIS STRUGGLE WILL COME PROGRESS”
Jennifer Chrisler, Executive Director
